The Engineer, 65 Gloucester Ave., Primrose Hill, NW1 8JH
www.theengineerprimrosehill.co.uk | @theengineerpub

Dating back to the 1800s, *The Engineer* gets its name from one of Britain's most famous civil engineers, Isambard Kingdom Brunel. Instrumental in the design and construction of the Great Western Railway and the SS *Great Britain*, Brunel's offices are said to have been upstairs in *The Engineer*, and his silhouette is still featured on the pub's swing sign to this day.

Live allergen, calorie and nutritional information is available by scanning the QR code on menu. It's easy to filter out dishes containing any of the 14 major allergens. If you have any questions, allergies, or intolerances, or need help accessing our allergen information, please let us know before ordering. Our food and drinks are prepared in food areas where cross contamination may occur, and our menu descriptions do not include all ingredients. (v) = made with vegetarian ingredients, (ve) = made with vegan ingredients, however some of our preparation, cooking and serving methods could affect this. *= This dish contains alcohol. Fish dishes may contain small bones. Weights stated are approximate uncooked weights. All items are subject to availability. Where table service is offered, a discretionary service charge of 10% may be added. Adults need around 2000 kcal a day.
